

# Every Summer Garment, Several Spring Coats, Several Suits and All Wash Skirts Will Be Closed Out FRIDAY and SATURDAY

**Lot I** Women's White Dresses, White Madras and Fancy Stripe Lawn House Dresses, **\$1.00**  
Former Values to \$2.98

This lot will be particularly interesting because of the house dresses. There are nearly all sizes in the lot and according to the policy of this store we are taking an actual money loss rather than carry them over. It's a time for bargains.

**Lot II** 2.98 Sport Suits, Dresses to 6.95, Linen Auto Coats to 5.00, Spring Coats to 5.95 **\$1.98**

This lot takes in all the odd garments that we are determined to sell quickly. We advise you to come up and look over the rack—maybe you'll find just what you want for almost nothing—Dresses, Coats, Sport Suit Dresses. Choice \$1.98.

**Lot III** Dresses up to 12.50, Silk Sport Coats & Spring Coats to 19.95, Silk Suits, **\$5.00**

On this rack are some simply wonderful values—absolutely ridiculous. Think of buying Wool Jersey Sport Suits worth \$25—or Silk Sport Coats worth \$19.95—or White Lingerie Dresses worth \$9.95, or \$12.50, for \$5.00. Any woman failing to look this lot over is not treating her pocketbook right.

We've practically divided our stock of Spring and Summer Garments into 3 lots on 3 racks for final selling. For easy description and selling we've placed the garments all together and will sell them as described.

New Fall Suits, Coats and Dresses by every express To-day's cool weather is foretaste of what's coming ---BUY EARLY---

Owing to the great scarcity of wool and silk materials there will be a shortage later in the season and prices will be higher. We will have by far the largest assortment we've ever had. Watch us this year—we're going to have the stuff and at the price but we advise buying early while our first purchases last.
